Does anyone know the status of the **You Are Not Alone/ Zoom** meeting in Venice? We have it listed as meeting Monday through Friday, 7 am. Zoom ID = 2276362879. Password = 547182.

Have received report that the ID/PW are invalid, but have been unable to confirm with anyone that the ID/PW have changed, or that the meeting has ceased. Please let me know if you have information or know whom I can contact.

Thank you,
Cindy
