Subj: Where & When Committee Report
Date: April 2024

At the IGR committee's request, I have removed District & Intergroup committee meetings from interactive listings (aanorthport.org & the Meeting Guide mobile app) and purged the related ZOOM meeting details from the Online Meetings pdf.

Webmaster Sarah S suggested the option of listing District & Intergroup meetings SEPARATELY on the print version of the When & When. You can review this option on page 4 of the latest *Where & When* pdf posted online.
