

# Intergroup - Website Report

March 7, 2024

## Summary of report

1. Created flyer "Intergroup Website - What it Can Do for You".
2. Uploaded events, meeting minutes, and reports as received.
3. Our website has been repeatedly attacked in the last several months by hackers from foreign countries. We currently use the free version of WordFence, I recommend upgrading to the Premium version for \$119/yr.
